## Prayer Bulletin: The Philippines

On April 15, 2008, Pastor Vic Vicera, his wife, Beth, and Pastor Noli Saturino were shot when an unknown assailant stormed Pastor Vicera's home in Mindanao, Philippines, and started shooting. Pastor Vicera was killed in the attack.

According to The Voice of the Martyrs contacts, "Pastor Vic, Beth, and Pastor Noli were having a conversation early that evening. They were talking about their plans to minister in a Muslim tribal area, when suddenly the killer came in and started firing at them."

VOM contacts added, "Pastor Vic got four gunshots: two at the upper part of the knees that went through his navel and two shots to the lower part of his knees, the bullets remained in his stomach. Beth, his wife, got two gunshots; one in her palm and one in her leg. Pastor Noli got one shot in his leg; the bullet went through his leg." Pastor Vic was killed, and Beth and Pastor Noli were treated by doctors.

## What to pray for

The Voice of the Martyrs encourages you to pray for believers in the Philippines who face persecution because of their faith. Pray especially for the family and congregation of Pastor Vicera, who have lost a father and pastor. Ask God to heal Pastor Vicera's wife, Beth, and Pastor Saturnino who were injured in the attack. Pray the testimonies of these faithful believers will draw their persecutors into fellowship with Christ.
